

40<sup>th</sup> Annual

# Wine Tasting & Auction

December 15, 2024

Dear Winemaker Friends of The Rotary Club of Lompoc,

It is with much delight that we announce that we are hosting our popular 40th Annual Wine Tasting & Auction on February 23, 2025, from 1-4 pm at the Lompoc Veterans Memorial Building. As our non-profit organization prepares for this popular event, we would like to invite you to participate by pouring your wine. If you are unable to participate, you are welcome to make an in-kind donation to our live or silent auction.

Just as in the past, we expect this to be another sell out event, giving you the opportunity to showcase your wine with the attendees and the other wineries and tasting rooms that participate.

This year, the proceeds from this Lompoc Rotary's wine event will be dedicated to a community project that will allow us to celebrate Lompoc Rotary's 100th Anniversary, a significant milestone. The project is currently in progress; this initiative will make a substantial positive impact in the Lompoc community.

Please let us know by January 19, 2025 how you would like to participate, so that we can recognize your generous contribution properly during the event and in the program.
