

LOMPOC ROTARY SCHOLARSHIP APPLICATION 2022-2023

VOCATIONAL OR TWO-YEAR ACADEMIC DEGREE

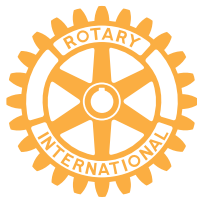

This year the Lompoc Rotary Club will provide a number of deserving persons with scholarships for continuing education and training. These awards are available to pursue careers in a vocation or academic study. Scholarships will be given to selected persons for their continued education. The money may be used for anything relating to further education, including tuition, supplies, tools, books, transportation and living expenses.

If you would like to be considered for a scholarship, please complete the attached application. Please note that the person applying for the scholarship and parent/guardian (if the person is under the age of 18) must sign the release form to allow the committee to view your application. The completed application must include a letter to the Lompoc Rotary Scholarship Committee describing in detail the applicant's vocational or academic plans that will prepare them for success.

The letter should be detailed. Specific instructions for the letter are attached. The letter is a key factor in the selection process; therefore, it is important that the letter provide complete, accurate, and thorough information. The committee will make assessments of the applicant's ability to succeed based upon the information available. A copy of your most recent transcripts must be a part of the application. **Once a scholarship is awarded, the winner must complete a report of how the reward was spent, including all receipts, and turn it into the Lompoc Rotary Club Scholarship Committee, within 3 months of the award.**

Applications are available online at LompocRotary.org.

The completed application package must include a letter to the committee, completed release form, and a copy of transcripts. The package must be returned to The Rotary Club of Lompoc, PO Box 792, Lompoc CA 93438 or emailed to jkeeling03@gmail.com on or before April 15, 2023. **Applications will not be accepted after the deadline.
